2) There appear to be accounts and legal difficulties in the way.

3) It is a fundamental Account rule that departmental receipts should not be appropriated towards departmental expenditure. If the procedure suggested is adopted, it would be necessary to examine whether it would amount to an infringement of this rule. The rule can of course be relaxed under the special authority and order of the Govt. of Sect. may be approved, the Financial consulted.

4) On the other hand, the legal position in regard to the transactions of Sri Gopalarao is still far from clear. There is

a Case pending on the file of the District Judge of Bangalore for declaring Sri Gopalarao as an insolvent and an Official Receiver has been appointed to collect receive and maintain the assets of Sri Gopalarao until the Court gives its directions about their disposal. In the circumstances it may not be correct to operate on the amounts realised on behalf of Sri Gopalarao except under the orders of Court of law. The Question was recently raised whether the Gopalarao Enquiry Committee itself could realise the amounts as they had not been empowered to do so The matter was referred

under the orders of the Dewan to the Advocate General for opinion. The connected file has been transferred to the Law Sect. and it is not known how matters stand with regard to that question. It would appear to be necessary to obtain expert legal opinion in the matter.

The Committee has been empowered to collect the amounts from the witnesses and others who have received more than what was due to them and to distribute the amount so collected among the Creditors of Sri. B. N. Gopala Rao.

It is proposed to direct the Committee to reimburse the expenditure incurred by Govt. on the Gopala Rao Enquiry Committee and to distribute only the net amount among the Creditors

The matter was considered at a meeting of the Council held on 15th August 1949 when the following resolution was recorded :—

"The expenditure incurred by Govt. on the Gopala Rao Enquiry Committee may be realised from the Committee out of the funds collected by them from the Creditors of Gopala Rao."

Gracious sanction of H.H. to the above resolution of the Council is solicited.

Hon. Chief Minister

18.8.49.

The question of reimbursing the expenditure incurred by Govt. on the Gopalara Enquiry Committee has been under examination for some time past in the Legal and Accounts Depts.

The Special Enquiry Committee (Amendment) Act has since been promulgated empowering the Gopalaras Enquiry Committee to distribute the amount realised from the assets of Sri B. N. Gopala Rao among the creditors of Sri B. N. Gopala Rao. It would be appropriate at this stage to issue a direction to the Committee to the effect that the expenditure incurred by Govt. on the Committee should be reimbursed by them out of the Collections made by them.
